OBJECTIVE

Detail-oriented software engineer with innovative problem-solving skills in full-stack web development, including HTML, CSS, JavaScript, PHP, MySQL, React, Express, MongoDB, and Node.js. I am ready to put my vast problem-solving skills and interest in new technologies to work through exciting and impactful projects in a dynamic environment.

EDUCATION

Master of Computer Application (MCA)

B.S Abdur Rahman Crescent Institute of Science and Technology

2023 - 2025 TamilNadu, India

CGPA

10.0 (till sem2)/

10.0

B. Sc Computer Science

Islamiah College (Autonomous)

2020 - 2023 TamilNadu, India

CGPA

8.3 / 10.0

PROJECTS

BlogoHub – A Blog Application

Jul'24 – Aug'24 TamilNadu, India

- Developed a full-stack blog application using the MERN stack (React.js, Express.js, MongoDB, Node.js).
- Implemented responsive user interfaces with React.js, ensuring a seamless experience across devices.
- Created RESTful APIs with Express.js to handle CRUD operations for blog posts and user data.
- Utilized MongoDB for efficient data storage, retrieval, and management of user-generated content.
- Integrated user authentication and authorization using JWT, ensuring secure access control.

Library Management System

Nov'22 – April'23 TamilNadu, India

- Developed a comprehensive Library Management System using HTML, CSS, JavaScript, PHP, and MySQL.
- Designed responsive user interfaces for managing books, users, transactions, and fine payments.
- Implemented a MySQL database to efficiently handle library records, user data, and fine payment tracking.
- Built backend functionality in PHP for secure user authentication, book borrowing, returns, and automated fine calculation.

SKILLS

Front-End

HTML

CSS

JavaScript

Bootstrap

Tailwind CSS

React

Back-End

MySQL

Express.js

Node.js

MongoDB

PHP

ACHIEVEMENT

Front End Development

IBM – Edunet SkillsBuild Portal

May'24 – Jun'24 India

- Completed comprehensive front-end development courses via the IBM - Edunet SkillsBuild Portal.
- Gained expertise in HTML, CSS, JavaScript, and responsive design.
- Developed hands-on projects to apply knowledge in creating dynamic and user-friendly web interfaces.

EXPERIENCE

Front End Intern

IBM

Jun'24 – Jul'24

India

- Completed a 6-week internship focused on front-end development.
- Gained hands-on experience with HTML, CSS, JavaScript, and React.js.
- Contributed to the design and development of responsive and user-friendly web applications.
